2007 Tongyeong Asian Triathlon Championships

We welcome all the Asian triathlon competitors and their supporters visiting the 2007 Tongyeong Asian Triathlon Championships.

Tongyeong consists of 150 dazzling jewel-like Islands and it is situated in the heart of the National Hallyeo Marine Park. Tongyeong also boasts its world-renowned crystal clear sea making it the ideal city for marine tourism.

Tongyeong is also famous for Admiral Yi, Sun Shin's Victory of Han San, a sea battle which ranks fourth most important in world's Sea Battle history. Furthermore, Tongyeong is recognized as the birthplace of famous artists and writers, as well as, famous athletic superstars.
